NEW YORK, Dec. 31.—Business for 184 closed at the Stock Exchange with a duil and listless speculation. The total transactions were only 58,852 shares, and of this total St. Paul figured for 5,500, Reading for 5,500, and sugar for 5,300 shares. The most important change in prices was a rally of 4 points in Baitimore and Ohio to 62½, due to the efforts on the part of a latent short inferest to cover. The rise was assisted by semigofficial statements that the company had the money in hand to meet all its January interests, and that there was no truth in recent rumors that the road had a cumbersome floating debt. The foreign was somewhat of a feature, and on reports that the Earl-Olcott plan on rights and a cumbersome floating debt. The securities groupped 54 to 15 per cent. Subsequently ped 55 to 15 per cent. Subsequently ped 56 to 15 per cent. As altempt of sufficient junior securities to make the substituted the trustace of the gurlington and fairly liberal substitutes the substitute of corrections soid 8t. Paul on a fairly liberal scale. The Industrials were firmer, and especially for Cordage and Chicago Gas. Tease shares moved and Chicago Gas. Tease shares to the cent. Baltimore and Ohio galed 25 per cent. Mercurial Poison

Is the result of the usual treatment of blood disorders. The system is filled with Mercury and Potensh remedies—more to be derended than the disease—and in a short while is in a far worse condition than before. The most common result is Rheumatism most reliable cure. A relief where all else has failed.

I suffered from a severe attack of Mercurial Rheumatism, my arms and legs being swollen to more than twice their natural size, causing the materacruciating pains. I spent hundreds of doings at the complete of the complete
